

APHELION

GENRE: SCI-FI HARD ROCK ORIGIN: MADISON, WI YEARS ACTIVE: 2020-PRESENT

APHELION REVOLVES AROUND THE CONCEPT OF ROCKSTAR MEETS SUPERHERO IN A DYSTOPIAN SAGA OF INTERGALACTIC PROPORTIONS. BLENDING HARD ROCK, CINEMATIC STORYTELLING, AND SCIENCE FICTION, APHELION TELLS THE STORY OF A GALAXY CONSUMED BY WAR— ONE ULTIMATELY FUELED BY THE GREATEST THREAT MANKIND HAS EVER KNOWN: OURSELVES.

DRAWING FROM A VAST RANGE OF MUSICAL AND THEATRICAL INFLUENCES, THE BAND'S MUSIC EXPLORES THEMES OF IDENTITY, CONFLICT, HUMANITY, AND HOPE AGAINST A BACKDROP OF A SPRAWLING SCI-FI UNIVERSE.

APHELION RETURNS SEPTEMBER 4 WITH "BROKEN PIECES," A HARD-HITTING NEW SINGLE ABOUT A SHATTERED HEART AND A RELATIONSHIP FRACTURED BEYOND REPAIR— AND FINALLY ACCEPTING THAT SOME THINGS AREN'T MEANT TO BE PUT BACK TOGETHER.

"BROKEN PIECES" CAPTURES THE MOMENT HEARTBREAK GIVES WAY TO CLARITY. RATHER THAN MOURNING WHAT'S ALREADY GONE, THE SONG CONFRONTS THE WRECKAGE HEAD-ON: TWO PEOPLE SURROUNDED BY THE FRAGMENTS OF SOMETHING THEY ONCE BELIEVED WOULD LAST.

RAW, MELODIC, AND CATHARTIC, "BROKEN PIECES" TURNS THE COLLAPSE OF A RELATIONSHIP INTO AN ANTHEM ABOUT LETTING GO, LEAVING THE PAST WHERE IT FELL, AND MOVING FORWARD THROUGH THE AFTERMATH.

"BROKEN PIECES" ARRIVES SEPTEMBER 4, 2026.
