

APHELION

GENRE: SCI-FI HARD ROCK ORIGIN: MADISON, WI YEARS ACTIVE: 2020-PRESENT

APHELION REVOLVES AROUND THE CONCEPT OF ROCKSTAR MEETS SUPERHERO IN A DYSTOPIAN STORY OF INTERGALACTIC PROPORTIONS.

DRAWING FROM A VAST AND VARIOUS CATALOG OF MUSICAL AND THEATRICAL INFLUENCES, AT ITS CORE, APHELION IS A HARD ROCK BAND WITH SPACE-THEMED LYRICS THAT TELLS THE NARRATIVE OF A WORLD RAVAGED BY A WAR THAT WAS ADVOCATED BY THE GREATEST THREAT MANKIND HAS EVER KNOWN: OURSELVES.

APHELION RELEASED IT'S DEBUT ALBUM **CHASING THE SUN** IN 2020. THE SINGLE **"I'VE LOST THE MOON"** RECEIVED RADIO PLAY ON ACTIVE ROCK STATIONS AROUND THE WORLD. NOTABLY, THE SONG WAS FEATURED ON AND WON THE "MONDAY NIGHT MOSH" SEGMENT ON ROCK 95 (MANKATO, MN) FOR FOUR CONSECUTIVE WEEKS, BEFORE BEING "RETIRED" AS A CHAMPION; AND IT WON "THE FIGHT FOR FRIDAY NIGHT" ON 96.7 KCMQ AFTER DARK (COLUMBIA, MO). WHEN THE PANDEMIC OF 2020 SHUT DOWN THE LIVE MUSIC INDUSTRY, THE BAND WENT ON HIATUS.

IN LATE 2024, AN ALL NEW LINEUP OF APHELION ENTERED THE STUDIO AND RECORDED A NEW ALBUM, EXPECTED 2026. THE FIRST SINGLE, **"TRAVELERS"** ARRIVED DECEMBER 5, 2025.

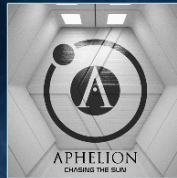

APHELION LAUNCHES INTO 2026 WITH **"PASSENGERS"**: AN ENERGETIC, ROMANTIC SCI-FI HARD ROCK ANTHEM ABOUT A MODERN "CRYO-SLEEPING BEAUTY" DRIFTING THROUGH DEEP SPACE TOWARD A NEW WORLD. BIG HOOKS, DRIVING GUITARS, AND CINEMATIC ATMOSPHERE POWER A LOVE STORY FROZEN IN TIME. PRODUCED BY ERIC LABROSSE AND MASTERED BY JOEL WANASEK.

"PASSENGERS" ARRIVES MARCH 13, 2026.
